

Manufacturer Note

Dear valued Customer, we are very pleased to inform you that, following an internal project finalized to assure full compliance to relevant regulations, Carel products listed hereunder:

- **Electronic controllers, supervising equipment, compressor drives and other electronic products;**
- **Humidifiers;**
- **Expansion valves and ejectors;**

are compliant with the European Directive (**ROHS recast**) **2011/65/EU** dated 21 July 2011 and the delegated directive (EU) **2015/863/EU** dated 31 March 2015 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

Any exemptions used will be indicated in the Declaration of Conformity released for a specific product family or model.

Moreover, we are glad to inform you that the same above products also accomplish the requirements of the last revision of the Regulation (EC) 1907/2006, of the European Parliament and of the Council on the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), with reference to the candidate list of SVHC, at the date of 16 January 2020.

Brugine, March 24th, 2020
